

2nd seminar
Join us!

SEMINAR SERIES - MEET THE EXPERTS

”Combination Drugs” & ”Repurposing of Drugs”

March 6th 2018 from 3:30 - 5:30 pm at the Technologie Park Basel, Switzerland

Clinical and Nonclinical Experts GmbH

Clinical and Nonclinical Experts GmbH welcomes you to the second of our seminar series where our top experts in nonclinical drug development will share insights and experiences to help you save time and money in drug development.

Target audience: Decision makers, managers, responsible scientists, and investors in pharma and biotech product development.

Dr. Alberto Lodola, our toxicologist with more than 30 years experience from the pharmaceutical industry, will share his experience and tips & tricks in two talks:

- *”Nonclinical Development of Combination Drugs”*
- *”Repurposing of Drugs, from a Nonclinical Development Perspective”*

For full abstracts, please go to www.cn-experts.com/news

Attendance Fee: Free of charge

Venue: Technologiepark Basel, Hochbergerstrasse 60C, Basel, Switzerland
