

2nd seminar
Join us!

SEMINAR SERIES - MEET THE EXPERTS

“Nonclinical Discovery and Development of CNS-Targeted Therapies”

September 10th 2018 from 2:00 - 4:30 pm at Lundbeck, Copenhagen, Denmark

Clinical and Nonclinical Experts GmbH

Clinical and Nonclinical Experts welcomes you to the second of our seminar series in the Copenhagen Area where our international experts share insights from years of experience - to help you save time and money in drug development.

Target audience: Decision Makers • Managers • Scientists • Investors
- in pharma and biotech product development

Our esteemed CNS expert Dr. Brad Bolon from the US will join us and share insights, tips and tricks when developing CNS-targeted therapies.

Dr. Brad Bolon:

*“Pathology Principles and Practices for Nonclinical Discovery and Development of
CNS-Targeted Therapies”*
